Subject: Request for Free Legal Aid – Property Dispute (Eviction and Unlawful Possession)

Respected Sir/Madam,

I am writing to humbly request free legal aid regarding a property dispute I am currently facing. I have been unlawfully evicted from my home by my brother, who has subsequently taken illegal possession of the property. This action is a direct violation of my rights as the rightful owner of the property.

I understand that the District Legal Education Committee (DLEC) provides crucial legal assistance to indigent litigants, women, and children, and I believe my case qualifies for your esteemed support.

Brief Case Summary:

I reside at [Your Address] and previously lived there with my brother and his family. Recently, my brother evicted me from my own home and has taken possession of it, where his family is now residing. The property is registered in both my name and my brother's name, and I possess the fard (land record) as proof.

I am seeking legal guidance and representation to recover possession of my home as per my rights under the Specific Relief Act 1877, particularly Sections 8 and 9, which address the recovery of possession for unlawful dispossession of immovable property. I am prepared to provide all necessary documents, including my CNIC, land records, and any evidence of my prior possession and the eviction.

I have been assigned a Legal Aid Request Confirmation Number: T-LA-2026-9531. I am eager to discuss the details of my case further and understand the steps required to initiate legal proceedings. Your assistance in this matter would be invaluable in ensuring justice.

Thank you for your time and consideration.

Yours faithfully,
