SUBJECT: REQUEST FOR FREE LEGAL AID FOR UNLAWFUL DISPOSSESSION FROM
INHERITED PROPERTY

Respected Sir/Madam,

I, [User Name], son/daughter of [User's Father Name], holding CNIC No. [User CNIC], and residing at [User Address], Pakistan, respectfully submit this application for free legal aid.

I am seeking assistance due to an urgent matter concerning my inherited property. My brother has unlawfully expelled me from our ancestral home, which is co-owned by us through inheritance from our parents, and has subsequently taken complete possession of it. I have been dispossessed for approximately three weeks and am in dire need of legal intervention to reclaim my rightful share and possession of the property.

Despite holding valid ownership documents (registry and fard) for the property, my attempts to resolve this matter have been unsuccessful. I recently consulted a lawyer who unfortunately advised that the case would be extremely difficult and suggested I might lose my claim unless I paid a substantial sum for his services to allegedly "transfer" the house to my name, which has raised concerns about the integrity of the advice.

I am currently facing severe hardship due to this unlawful dispossession and lack the financial means to pursue legal action independently. I believe I have a strong case for the recovery of possession under the Specific Relief Act, 1877, and protection against criminal trespass under the Pakistan Penal Code, 1860.

I humbly request your esteemed organization to provide me with free legal representation and guidance to secure my legal rights and recover possession of my inherited property. I am prepared to provide all necessary documentation and cooperate fully with your designated legal counsel.

Thank you for considering my request.

Sincerely,
